50X1-HUM

2. Advised Miss Hampton in Senator Bush's office that we have been unable to locate any of the pictures which were taken at the Chinese prison camp at Weinsien but gave her the names of three persons involved and their current addresses and told her that she could pass them on to the constituent, [REDACTED]

3. Learned from Miss Goetz on the Staff of the Senate Disarmament Subcommittee that the transcript of the hearing before the Committee on 19 June 1958 when Dr. Scoville and Mr. Northrup appeared would have to be arranged for through the Senate Foreign Relations Committee. She felt the transcript would have to be read over at the Committee room.
